

NUWEIGH®

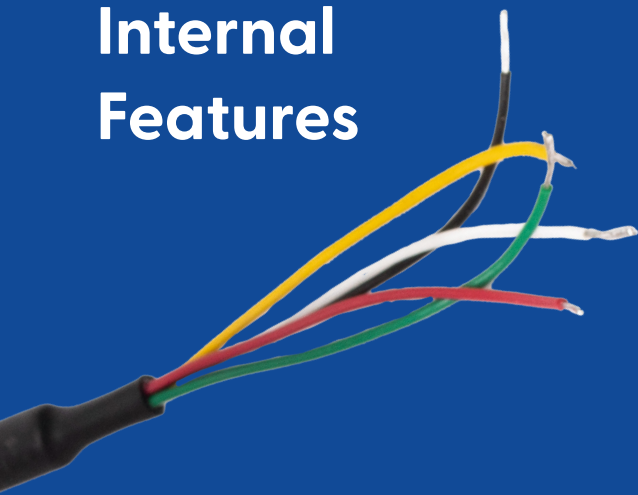

Data Cable

Features:

- 6 core shielded
- 7 x 0.20mm tinned copper conductors
- Insulation average thickness > 0.30mm
- Insulation out diameter < 1.30mm
- Conductor resistance at 20C < 92.3 ohm/km

Internal Features

- Heat Resistant
- Cable outside dimension is 6 mm
- Available in 200m roll
